To Whom It May Concern:

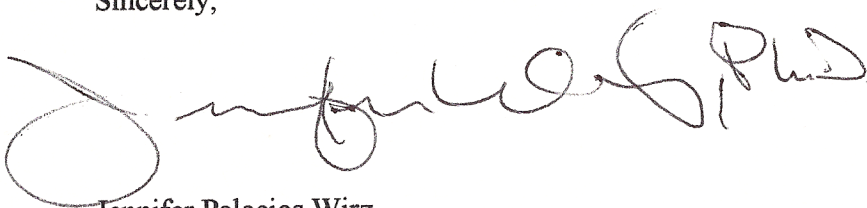

I am pleased to write this letter of recommendation for Danielle Holland. Danielle was a student in SPE 322 (*Curriculum and Instruction for Students with Special Needs*) in the fall of 2010. As her instructor, I observed her dedication to the field of special education and her commitment to a high level of academic achievement.

Danielle demonstrated a high level of responsibility, maturity and enthusiasm throughout the semester. Danielle was a valuable addition to my course and I appreciated her devotion to students with disabilities which has been no doubt influenced by her personal experience. Her intimate knowledge of the impact teachers have on the lives of their students motivates her to strive for excellence.

Beyond the classroom environment, Danielle collaborates well with her peers. In addition, she is an individual who is committed to her education; is an exceptionally strong student; is committed to working with children.

On top of all this, she is a positive person who genuinely cares about securing the best education for all students. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,
